Class Descriptions

(Inf/Tot) Infant-Toddler Parent and child participate in water adjustment, safety and basic skill activities.

Preschool Levels (3 Years – 5 Years)

(PS1) Preschool #1 Bridges Inf/Tot to Preschool levels. Introduction to swimming for non-swimmers with emphasis on basic motor skills, face in the water, blowing bubbles, holding breath, going under water and jumping in the water.

(PS2) Preschool #2 For children who are comfortable, confident and already going underwater and holding their breath under the water. This class will focus on teaching unassisted swimming.

(PS3) Preschool #3 For children who swim 5 feet unassisted with their face in the water. This class will focus on beginner's front crawl, arm recovery, independent breathing and an introduction to backstroke.

(PS4) Preschool #4 For children who swim at least 20 feet independently and are ready for advanced technique instruction in rotary breathing and backstroke.

Grade School Levels (6 Years – 12 Years)

(GS1) Grade school #1 Introduction to swimming for non-swimmers or those who swim less than 20 feet with their face in the water. GS1 teaches a modified stroke with face in the water.

(GS2) Grade school #2 For those who swim at least 20 feet independently and are ready for advanced freestyle and backstroke techniques.

(GS3) Grade school #3 For those who can correctly swim freestyle and backstroke at least 25 yards and are ready to focus on endurance building techniques and diving. GS3 is the first class that the instructor teaches from the pool deck.

(PC1) Pre-Competitive #1 Teaches butterfly and breaststroke to those already comfortable and proficient in freestyle and backstroke.

(PC2) Pre-Competitive #2 For those who have learned all four competitive strokes and are ready for advanced competitive techniques. Bridges swim lessons to swim team.

Adult Classes

(AB) Adult Beginner For the adult who wishes to learn or improve on the basics of swimming

(ASC) Adult Stroke Class For adults who can swim freestyle and Backstroke and are ready to increase technique and distance
